#### A World Mythography

## Cyber-Pantheon Guess Who ...???

1. An individual that is the same sex as an angel, but with a different godliness and different personalities.....
2. The only gods in the universe in a sense.....
3. A person that is the same as a divine, but with an evil/evil type personality.....
4. A person that is not a deity by nature.....
5. A person who will not change (i.e. become evil).....
6. Such an individual doesn't have a normal human face.....
7. A person with an "anti-human" viewpoint who's a "anti-human" and also considers people "anti-humans".....
8. A person who has a certain kind of human-like personality.....
9. A person that believes that the same thing is a "miracle".....
