- The following collection of lucidity are absurd detailed crazy collages digitally using lots of things , theyre their here for your intrigue and enjoyment.
- You can zoom in close detail
- Do not abuse the following as these are **artworks** of art of the artist
- Some parts might be blurry but all part of it.. probably
- Treat them like paintings but with sounds and humourissness.
- This pdf / ebook is your gallery experience, (a screen gallery). Rather than printing, framing and mounting on a wall that takes time, equipment, money so instead we use 'Super Super Glue' instead.
- Do take them seriously of the work put into each, but laugh
- Thank you. I appreciate your appreciation.

...y knowledge, because they are showing that the concept of the metaverse is not just a collection of virtual assets and platforms, but a new way of thinking about the world. It's about creating a shared space where people can interact and collaborate in ways that were previously impossible. This is the future of the internet, and it's going to change everything. You need to get on board now, before everyone else does. The metaverse is the new normal, and it's going to be the most important thing you do in your lifetime. Don't miss out. Join now. The metaverse is the new normal, and it's going to be the most important thing you do in your lifetime. Don't miss out. Join now.

no need to be afraid, just a purple donkey with googly eyes :)

Print You forget about his youth

You may notice a night and day happened for you, now include your activity of choice here:

A vole on the M17

This here is a sandwich

We call this room... party central

I've done some things I'm not proud of, I've spent a lot of woodworking time thinking I was the prize that came with the sandwich, but with the help of my sponsor, I know now, THAT THE REAL PRIZE LIVES INSIDE EACH AND EVERYONE OF US.

And so the turreted did the butterfly stroke raw as rehearsed

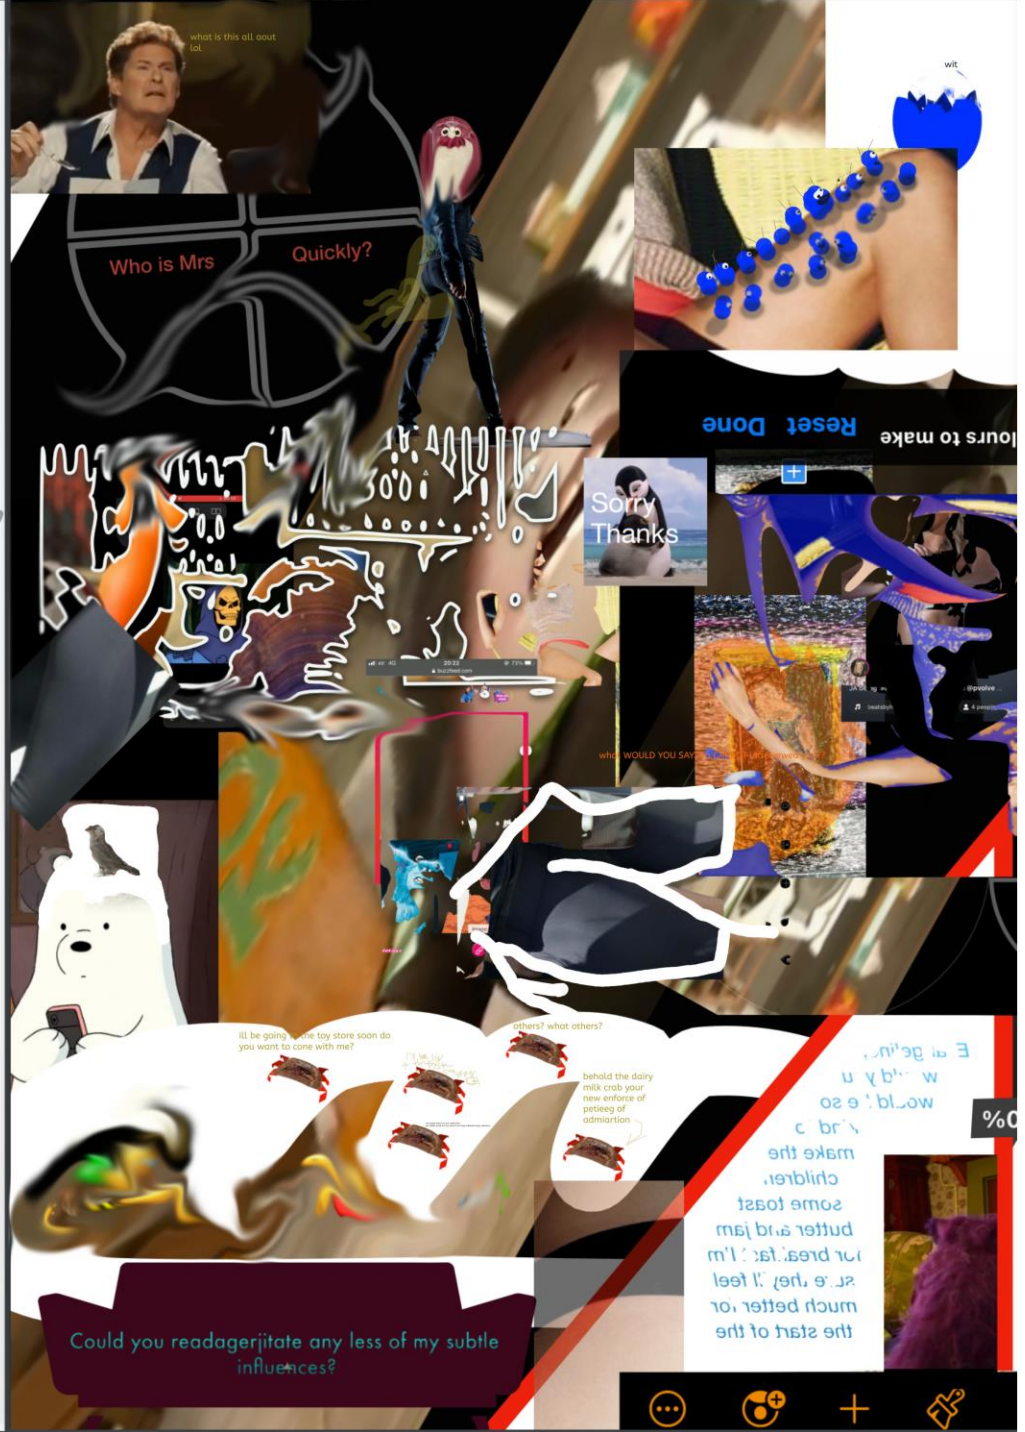

YOU WANT THE DREAM JOURNAL??

-0:00

Good vibrations

oh hello dad so what do you think oh yes yes its very uhh kicking, but eb shouldnt you be rearshing of speech... your about to be crowned the aster buny among three thousand of your peers, uh yeah about that... -yeas?... ock da, ever since i was yay big or evr sonce i was told the easter bunny has to be perfect well im not perfect oh i know but youll bet their son eventually but da, uh listen, you want me to be this but maybe im not this maybe im, maybe im this... a sock?? (sniff) bleuight yeah thats it i might be a methaphorooj sock i might not be one for delivering easter baskes but i might be the best sock ever and i could use these.

OH THE DRUMS!! (-) WELL I THINKS THATS FINE I THINK ITS VERY NICE YOU HAVE A HOBBY everyone should ave a hobby! ITsNOT a HoBBY DaD.. iwanna dru m in a band i wanna see the world but eb the easter bunny sees the world bring joy and peaces ti every oyme around the world oh really dad?? the whole world?? what a about china? well yes we havent cracked shina yet but for all those who do believe you will be there no dad i dont wanna be the easter bunny now eb look dreams and tradtion away just becace one bunny dpenst want to lead from tradon of centuries, look dad no eb you listen you need to going to be the easter bunny now you need to get rid of these drums and get your priorities straight, ti see you out there, no i dont think you will, change destination where dreams come true, insight snack preferences: calburys turkish, tesco bacon rashers crisps and 2 litre centra water, .thanks. im sorry dad, i made it! hollywood, now find a place to stay , no non on ah perfect. (hopping)

No.
