

## THE ONENESS

*an open list;*

a duck that is actually a podcast that is actually a song that is actually the human body that is actually a spreadsheet that is actually an api that is actually an excellent idea that is actually the sky that is actually my hand that is actually a walk that is actually a photograph that is actually a fish that is actually a form that is actually a person that is actually a phone that is actually a ballon that is actually a book that is actually a knife that is actually a CV that is actually a stool that is actually an advertisement that is actually a question that is actually a meme that is actually a ping-pong game that is actually a keyboard that is actually a line of men that is actually the floor that is actually the toilet that is actually the brain that is actually the self that is actually a pile of cake that is actually a mirror that is actually a rainbow that is actually the top of the sky that is actually my hand that is actually the tree that is actually a race that is actually a storm that is actually a topic that is actually a closet that is actually a contract that is actually an extremely important human right that is actually the show that is actually an awesome picture that is actually a fire that is actually a bathroom that is actually a sign that is actually a couple of people looking at an otter that is actually a shell that is actually a belt that is actually a weed that is actually a yo-yo that is actually a virtual reality room that is actually the moon that is actually the place that is actually a stain that is actually the radio that is actually the music that is actually the house that is actually the bike that is actually the gift that is actually the wakeup call that is actually an empty house that is actually the yummy looking chicken that is actually a no-no that is actually the candy that is actually a sherry that is actually the leg that is actually the place that is actually the gel that is actually the bowl that is actually the car that is actually the job that is actually a

lipstick that is actually the sea of physics that is actually the ground that is actually the number eleven that is actually yellow that is actually a shed that is actually a summer holiday that is actually a folder that is actually an accident that is actually a style tat is actually the only way out that is actually a pencil that is actually a sound that is actually a burger that is actually a war that is actually a computer that is actually a the trumpet that is actually a whistle that is actually the stomach that is actually a lizard that is actually the face that is actually the price of a sneaker that is actually a lot of different beautiful objects that are actually a taco that is actually a conch shell that is actually a car that is actually a razor that is actually an iron that is actually a gram that is actually a hat that is actually a pie that is actually a ham sandwich that is actually a penis that is actually a spider that is actually a cellar that is actually the scissors that is actually the eye that is actually the meteorite that is actually a shirt that is actually the gloves that is actually a train that is actually the one that is actually a clock that is actually the music that is actually an equation that is actually a raft that is actually a god that is actually a a companion that is actually a brain that is actually the silence that is actually a password that is actually a gene that is actually a salvation that is actually an instagram account that is actually a library that is actually a run that is actually a box that is actually a planet that is actually a domino that is actually another place that is actually a frog that is actually a game that is actually a thought that is actually a list that is actually a party that is actually a map that is actually a bed that is actually an opportunity that is actually a shock that is actually a film that is actually a worm that is actually a volcano that is actually a pointless endeavor that is actually a cyanobacteria that is actually a higher dimension that is actually an eyebrow that is actually an atmosphere that is actually a coincidence that is actually a documentary that is actually a beach tree that is actually an artwork that is actually a genetically modified organism that is actually a love story that is actually a light that is actually a fossil that is actually a monkey that is actually a color that is actually a day that is actually the skin that is actually a project that is actually a record that is actually a grocery list that is actually the universe that is actually a sheet of paper that is actually an email that is actually an ant colony that is actually a safe landing

place that is actually robot that is actually a history teacher that is actually a jpeg that is actually a tavern that is actually a fire that is actually an interview that is actually a horse that is actually an echo that is actually something to eat that is actually a stone that is actually a shoe store that is actually a possibility that is actually an extension that is actually a road that is actually a sharpie that is actually a long name that is actually the landscape that is actually a spot that is actually a nuclear war that is actually the biggest thing that is actually a tail that is actually a snowglobe that is actually a takeaway that is actually a church that is actually a dance that is actually a politician that is actually an eatin disorder that is actually a website that is actually a tambourine that is actually a dog tha is actually an image that is actually a wifi cinnection that is actually the cosmos that is actually pond that is actually a telescope that is actually a skateboard that is actually a poem that is actually a constellation that is actually a telescope that is actually a neon sign that is actually a family that is actually a skyscraper that is actually a flag that is actually a waterfall that is actually a keychain that is actually a dream that is actually a seashell that is actually a musical that is actually a masterpiece that is actually a rainbow that is actually a hot air balloon that is actually a sandcastle that is actually a video game that is actually a typewriter that is actually a skyscraper that is actually a glacier that is actually a magic trick that is actually a baby that is actually a greenhouse that is actually a treasure hunt that is actually a hurricane that is actually a notebook that is actually a meditation that is actually a siren that is actually a robot that is actually a top hat that is actually a rollercoaster that is actually a wilderness that is actually a library that is actually a sunset that is actually a balloon animal that is actually a typewriter that is actually a hot spring that is actually a conspiracy theory that is actually a chemistry set that is actually a map that is actually a dragon that is actually a treasure map that is actually a basketball that is actually a spy that is actually a rainbow that is actually a time machine that is actually a bamboo forest that is actually a peacock that is actually a microscope that is actually a robot that is actually a ghost that is actually a sandstorm that is actually a wizard that is actually a treehouse that is actually a dream catcher that is actually a kaleidoscope that is actually a mermaid that is actually a unicorn that is

actually a rainbow a reflection that is actually a prism that is actually a pandemic that is actually a heartbeat that is actually a cactus that is actually a vision that is actually a sunrise that is actually a thunderstorm that is actually a recipe that is actually a hammock that is actually a rollercoaster that is actually a microscope that is actually a constellation that is actually a spaceship that is actually a siren that is actually a sculpture that is actually a snowflake that is actually a miracle that is actually a handshake that is actually a galaxy that is actually a pocket watch that is actually a rainbow trout that is actually a toothbrush that is actually a sailboat that is actually a typewriter that is actually a skyscraper that is actually a glacier that is actually a compass that is actually a hammock that is actually a soap bubble that is actually a black hole that is actually a soccer ball that is actually a kaleidoscope that is actually a geode that is actually a wind turbine that is actually a tornado that is actually a comet that is actually a hummingbird that is actually a tea kettle that is actually a rainbow bridge that is actually a snowmobile that is actually a lighthouse that is actually a hot air balloon that is actually a coral reef that is actually a sunset that is actually a sandcastle that is actually a lightning bolt that is actually a stethoscope that is actually a kale salad that is actually a waterfall that is actually a telescope that is actually a bonsai tree that is actually a carnival ride that is actually a time capsule that is actually a pendulum that is actually a symphony that is actually a humming top that is actually a skate park that is actually a quill pen that is actually a catapult that is actually a snowball that is actually a helicopter that is actually a stargazing session that is actually a poppy field that is actually a sea turtle that is actually a sundial that is actually a drone that is actually a magnifying glass that is actually a leaf pile that is actually a roller skate that is actually a meteor shower that is actually a butterfly garden that is actually a guitar solo that is actually a hoverboard that is actually a harvest festival that is actually a zeppelin that is actually a speedboat that is actually a video game that is actually a beehive that is actually a balloon animal that is actually a weather vane that is actually a hot spring that is actually a bobsled that is actually a caterpillar that is actually a water park that is actually a pogo stick that is actually a snowman that is actually a skateboard ramp that is actually a dragonfly that is actually a

dinosaur fossil that is actually a fireworks show that is actually a wind chime that is actually a rainbow lorikeet that is actually a gondola ride that is actually a catered picnic that is actually a sea monster that is actually a race car that is actually a diving board that is actually a space shuttle that is actually a parasail that is actually a treehouse that is actually a corn maze that is actually a parade float that is actually a waterslide that is actually a birdhouse that is actually a rollercoaster loop that is actually a glider that is actually a castle that is actually a butterfly that is actually a canyon that is actually a recipe that is actually a ray of sunlight that is actually a compass that is actually a passport that is actually a constellation that is actually a ball of yarn that is actually a stage that is actually a drone that is actually a jigsaw puzzle that is actually a glacier that is actually a siren that is actually a typewriter that is actually a glacier that is actually a bridge that is actually a paper clip that is actually a pair of glasses that is actually a flute that is actually a typhoon that is actually a neon sign that is actually a toucan that is actually a kaleidoscope that is actually a tent that is actually a castle that is actually a magnifying glass that is actually a garden that is actually a seagull that is actually a pencil sharpener that is actually a flamingo that is actually a museum that is actually a spaceship that is actually a circus that is actually a cable car that is actually a cow that is actually a rainbow trout that is actually a firefly that is actually a sandcastle that is actually a telescope that is actually a lake that is actually a dandelion that is actually a streetlamp that is actually a seashell that is actually a mountain range that is actually a motorcycle that is actually a compass that is actually a hot air balloon that is actually a tornado that is actually a roller coaster that is actually a bonsai tree that is actually a video game that is actually a peacock that is actually a baseball bat that is actually a ferris wheel that is actually a sparrow that is actually a subway that is actually a mailbox that is actually a cherry blossom that is actually a telescope that is actually a sandstorm that is actually a blue jay that is actually a lighthouse that is actually a cactus that is actually a hot spring that is actually a jellyfish that is actually a popcorn machine that is actually a drone that is actually a snowstorm that is actually a cardinal that is actually a volcano that is actually a hummingbird that is actually a tornado that is actually a moose that is

actually a postcard that is actually a glacier that is actually an entomologist that is actually a sea breeze that is actually a satellite that is actually a hedgehog that is actually a cruise ship that is actually a kangaroo that is actually a train station that is actually a compass that is actually a koi fish that is actually a hot air balloon that is actually a tornado that is actually a roller coaster that is actually a bonsai tree that is actually a video game that is actually a peacock that is actually a baseball bat that is actually a document that is actually a sparrow that is actually a subway that is actually a mailbox that is actually a cherry blossom that is actually a telescope that is actually a sandstorm that is actually a blue jay that is actually a lighthouse that is actually a cactus that is actually a hot spring that is actually a jellyfish that is actually a cow that is actually a drone that is actually a snowstorm that is actually a cardinal that is actually a volcano that is actually a nature documentary that is actually a tornado that is actually a moose that is actually a postcard that is actually a glacier that is actually a roller skate that is actually a magnifying glass that is actually a satellite that is actually a hedgehog that is actually a cruise ship that is actually a kangaroo that is actually a train station that is actually a compass that is actually a koi fish that is actually a quote that is actually a blessing that is actually a gallery that is actually a bonsai tree that is actually a video game that is actually a peacock that is actually a baseball bat that is actually a television that is actually a sparrow an angry boy that is actually a globe that is actually a laptop that is actually a flintstone that is actually a that is actually a subway that is actually a mailbox that is actually a cherry blossom that is actually a telescope that is actually a sandstorm that is actually a blue jay that is actually a lighthouse that is actually a cactus that is actually a hot spring that is actually a bassoon that is actually a popcorn machine that is actually a drone that is actually a snowstorm that is actually a cardinal that is actually a volcano that is actually a hummingbird that is actually a tornado that is actually a moose that is actually a postcard that is actually a glacier that is actually a roller skate that is actually a magnifying glass that is actually a satellite that is actually a hedgehog that is actually a cruise ship that is actually a kangaroo that is actually a train station that is actually a compass that is actually a koi fish that

is actually a hot air balloon that is actually a tornado that is actually a speed  
remp that is actually a chimpanzee that is actually a video game that is actually  
a peacock that is actually a beast that is actually a story that is actually a  
sparrow that is actually a subway that is actually a mailbox that is actually a  
cherry blossom that is actually a telescope that is actually a sandstorm that is  
actually a blue jay that is actually a lighthouse that is actually a cactus that is  
actually a hot spring that is actually a jellyfish that is actually a popcorn  
machine that is actually a drone that is actually a snowstorm that is actually a  
cardinal that is actually a volcano that is actually a hummingbird that is  
actually a tusk that is actually a moose that is actually a postcard that is  
actually a glacier that is actually a roller skate that is actually a magnifying  
glass that is actually a satellite that is actually a hedgehog that is actually a  
cruise ship that is actually a kangaroo that is actually a train station that is  
actually a compass that is actually a koi fish that is actually a chair that is  
actually a tornado that is actually a roller coaster that is actually a bonsai tree  
that is actually a video game that is actually a peacock that is actually a bat  
that is actually a delete key that is actually a sparrow that is actually a subway  
that is actually a mailbox that is actually a cherry blossom that is actually a  
telescope that is actually a hiccup that is actually a blue jay that is actually a  
lighthouse that is actually a cactus that is actually a hot spring that is actually  
a jellyfish that is actually an AI model that is actually a list that is actually a  
penguin that is actually a bible that is actually a carpet that is actually a  
camera that is actually a
